On 2-27-06 I was working B-Blk around 245 pm While I was working up SHU/Keeperlock Feed cups. There was 25 cups of feed by myself. He walks within a few days I told you to pack up the boxes. Then he splashed all the cups on the floor into my face. I had a good report with him. I ask him if I can be a mediator for both sides & he says yes. I tell him I never said anything to him.

Several minutes go by and C.O. wants  
come & tell me little & I should talk.  
So I go to C.O. little while he's at  
the desk AND say "excuse me little could  
I speak to you for a minute". he says "yes"  
and points to the entrance to B-BLK Stairwell  
So I go out there  $\frac{1}{2}$  way in between  
the BI-gate AND B-BLK & co. gate. When I  
turn around I start to say "I never even  
disrespected you or ever said anything to you".  
AND Before I could finish my statement C.O.  
little pushes me into BI-gate. Shocked & confused  
I fall into the gate trying to regain my balance  
upon gaining my balance I shout at little  
"What the Fuck are you doing" at this time  
he looks up to me and punches me in my nose.  
I start bleeding & he immediately after  
places both his hands on my my neck and  
start choking me. I'm trying get free but I  
can't. I start losing my breath so I start  
to swing & claw at his face we stumble back  
into the corridor. Like 8 C.O.s who were sitting  
at the desk, Ross, Robert, Green, Green, Nicks &  
Stoudard [that I recall] push me and restrain  
me.
